DEDICATION

THE 1955 WILDCAT STAFF HEREBY DEDICATES THIS ANNUAL TO

MR. J. C. MITCHELL $\label{eq:main_def}$ THE WILDCAT BAND

The Wildcat Band is usually composed of about seventy boys and girls. During the fall season it appears at all pep rallies and football games and makes a trip to Austin for the University's "Band Day" celebration. The winter months find this musical group busy preparing for concerts and programs. In addition to concerts for schools and clubs, two formal concerts are given each year. In March, the concert band, along with many individual solos and ensembles, attends the Region VI Interscholastic League Contest. The year is closed out with a trip to Corpus Christi for the Buccaneer's Parade.

Murry R. Garner, B. S., M. S. Texas A&I College Superintendent

MESSAGE FROM THE SUPERINTENDENT

It is with pride that I take this opportunity to again congratulate the leaders of our faculty and students on another job well done.

There are many opportunities for proving leadership ability in our High School: but none important, than that of the "Wildcar Staff" in portraying our school activities of 1954, 1955 for future generations.

The community is extremely interested in its youth (you, the students). This Annual is important that they may get to know the people who make up our Staff and student body and their many accomplishments.

Congravulations on your fine leadership, work, and perseverance in publishing this excellent volume.

Sincerely yours, Murry R. Garner, Superintendent.

William H. Mullins President, School Board Engineer

Mrs. Susan J. Bohan Secretary

PRINCIPAL'S MESSAGE High school days are important in everyone's life. All students should be able to note their educational progress, improved social and behavior habits, increased knowledge of a field of future work, and their enjoyable times during these days.

We, the faculty, are directing our efforts along these lines so that each of you students will have these days stand out as strong. pleasant silhouettes among your memories.

Although the past season was not what would be called a highly successful season, there was a great amount of football knowledge gained by the boys during the past season. The Wildcats did not achieve the state of readiness until late in the season and as a result were not title contenders although they did hold Hondo, the champions, to a lesser score than any other district opponent.

The brand of ball played in the last two games of the season are examples of what the boys can do and what to expect for the coming season.

The boys have had a very successful basketball season this year. They won twenty-one games out of the twenty-six played. They tied for district championship, but were defeated in a best two out of three game play-off.

Honors won—besides tying for district championship—were winning the Del Rio Tournament and placing second in the Uvalde Tou nament, Charles Sharp and Jimmy Harrell were played on the All-Tournament team at these tournaments.

The boys are to be commended for their excellent playing this season, and although they were unfortunate and were not district champions, they did a "top-notch" job of ball playing.

The Future Farmers of America, or "FFA," is the national organization for high school boys studying vocational agriculture. This farm-youth organization follows the fundamentals of a true democracy. Each member has a voice in making the rules by which he is governed, and in planning the annual program of work which he is to help carry out.

The primary purpose of the FFA is the development of agricultural leadership, cooperation and citizenship.

The Dramatic Club provides an opportunity for students to meet in a social group in which they express themselves by interpreting the thoughts and emotions of others. Its activities are pantomine drills, readings by individuals, and the reading and acting of plays by groups.

During the first semester the club presented a one-act play, Grandma Fixes Things, for the student body, and on December 22, they gave an original Christmas pageant depicting the birth of Christ. Other programs were presented during the year.
