This year is the first year we have had the WHO'S WHO. The Student Council set up the qualification chart, giving so many points to each student for his activities throughout the school years and also for the scholastic standings of each. Therefore, the Annual Staff is proud to have presented to you, this group which is to be congratulated for this achievement.

It is the pleasure of the Wildcat staff to express appreciation to those of you who made this annual a success. This is your book. It is what you have made it.

As we, the Senior members of the "Wildcat of '59," leave to journey down the Road of Life, we hope these pages will be a treasured reminder of our school days together in the Carrizo Springs High School.
