Mr. Ulbrich arriving at school.

The students of Carrizo Springs High School wish to present their key of appreciation to Mr. C.P. Ulbrich, who is retiring from the System after 28 years of service. His years of faithful service, his untiring efforts to help each and every student in any way he could, his sympathy, and, yes, his love for the stu-

dents and his work, will never be equaled. We, the annual staff, proudly hand you this key, Mr. Ulbrich.

### FOREWORD

The key to many wonderful opportunities is given to us upon our completion of high school -- the key to education. Some will use their key to unlock the door to a college or technical school. Others will unlock the door to a future in the armed services. And then there will always be a few who will put away their key and let it grow rusty and corroded from lack of use. Our happiness and success in life may depend on how we use our key.

Our heartfelt thanks go to all those who have contributed to the preparation, circulation, and support of this yearbook. Without the efforts of all those concerned it would not have been possible. We hope the 1966 Wildcat will always serve as a key to remembrances of a wonderful year in Carrizo Springs High School.
